Dear Mr. Morisy:

This is in further response to your Freedom of Information Act ("FOIA") request. You requested, "all responses sent to Congressional committees between Jan.1, 2008 and the date that this request is processed."

I wrote to you last week in an attempt to alert you to potential fees associated with your request and invited you to contact me directly in order to narrow or clarify your request. Since we have not heard from you we are sending this cost estimate for continued processing. This estimate does not include the potentially voluminous incoming correspondence or, reports to Congress.

You have agreed to pay up to \$25.00 for the processing of your request. This letter provides our estimate of anticipated duplication costs for processing your request. Our FOIA regulations state that costs anticipated to exceed \$250.00 require the requester to provide a written agreement to pay our estimate, as well as provide a 20% down payment of the estimated costs.

We estimate that the cost to search for and review the documents you have requested is approximately \$370.00 which includes 100 free pages. Therefore, before we can process your request, it will be necessary for you to agree in writing to pay our cost estimate of \$370.00, consisting of duplication costs, and to provide a 20% down payment for these costs, in the amount of \$74.00.

We will hold your request in abeyance for 10 business days, from the date of this letter, pending your written agreement to pay these estimated costs, and your down payment check in the amount of \$74.00. Please send your check in this amount to my attention at the above referenced address, together with your written agreement to pay the full cost estimate of \$370.00. If we do not receive a reply from you within 10 business days, we will assume you have decided not to pursue your request, and will close out our file on this matter.

Sincerely,

/s/
